

Knotty Pine Chalet

Directions to the Knotty Pine Chalet at 21368 Snowshoe Rd., Lead, SD

Follow Hwy. 85/14A out of Lead to the intersection of Hwy. 85/14A and Rochford Rd. (Lead Country Club turnoff) and go south. Take the first left on Black Forest Rd., about .2 (two tenths) of a mile. Go until the first right turn (.8 of a mile) which is Snowshoe Rd. Make the turn to the right and the Knotty Pine chalet is on the left side of the road.

Light fireplace if a fire is desired. Please follow instructions.

Fireplace instructions.....

The fire should be started to the rear of the fire box and you should try not to start too big of a fire too fast. The fireplace doors should be left open until the fire is going and has died down somewhat. Also, at no times should the flames be allowed to lap at the glass. When there is a sudden change in temperature on the glass it causes the loss of the temper in the glass and the glass will shatter. The draft on the fireplace should be opened before starting the fire and left open. The draft is open when the lever is to the far right.

We would like to keep the Chalet as nice as possible for everyone's future use. We would appreciate no smoking inside. All damages will be billed to those guests responsible.

Check in time is anytime after 4:00 PM

Check out time is before 10:00 AM

When your stay is over.....

1. Be sure the stove and oven are turned off.
2. Turn off the lights and the fans. Be sure and check outdoor lights.
3. Lock all doors and make sure windows and blinds are closed.
4. Close draft on the fireplace. (Draft lever all the way to the left.)

We ask that this list be completed before you leave. We hope your stay in the Black Hill is a pleasant one.
